

## The HEAVEN TO HELL RIDE, of the Texas Mountain Trails Region

**General Information:** The Alpine Chamber of Commerce proudly presents the Forth (almost) Annual "Heaven To Hell Ride"; an all day motorcycle riding event in the Texas Mountains and Big Bend Region. A world-class ride held only in Texas! 300 Miles.

The "Heaven To Hell Ride" will again be showcasing the unique environments of the Big Bend Region. For the first time this years' route will include going through Big Bend National Park, one of the best kept secrets of the National Park System. Over 801,000 acres of Chihuahuan Desert comprise the park, with elevations from 7832 feet to the lowland banks of the Rio Grande river, affording some of the most spectacular vistas one could ever hope to see in one place. Please be aware that there is an entry fee of \$15 (good for 7 days) per motorcycle, NOT included in the registration. Holders of an annual National Park pass or Golden Pass have free admission to the park. Because the speed limit within the Park is a strictly enforced 45 MPH, this years' ride will be slightly shorter in length to accommodate the time spent in BBNP.

The event will follow a loose rally format, with participants receiving directions for the entire route, including the options, at check-in. Riders will then depart on their own and pass through two to four check points throughout the ride. General timing for the entire route will be based on speeds that do not exceed posted speed limits. Registration includes a commemorative 2010 ride pin, patch, cap, breakfast and supper, door prizes and raffle. Participants may ride in large or small groups at their own choosing in accordance with preference as to speed and riding style. Fuel, food and rest facilities are available along the route.

Participating sponsors will offer discount for food and lodging and other amenities. Please support our sponsors; they look forward to you being here.

**Eligibility:** All riders and all makes of motorcycles are welcome.

**Date:** Saturday, September 25, 2010. Rain or shine.

**Registration and Cost:** Riders must pre-register for this event by sending their name, address, and e-mail address along with the registration fee to be guaranteed a pin, cap and patch. Registration is limited to 125 participants, due to meal constraints.

Registration forms are available on the web ([www.heaventohellride.com](http://www.heaventohellride.com)). The registration fee is \$40 per person, applies to all participants (i.e. 2-up requires two fees), and is **non-refundable**. Late walk-up registration will be accepted only as available space permits, if any.

**Releases:** Each rider and passenger must sign a waiver releasing the Alpine Chamber of Commerce and all participating sponsors of any and all liability resulting from any accident, loss or damage, in connection with this event (proof of insurance required/M endorsement license). Under 21 years of age **must** have a parent or guardian sign.

**Check-In:** Check-in begins at 7:00a.m. Registration closes at 8:15a.m. sharp. Precheck-in Friday 3:00-6:00 pm at C of C office.
